“ Heaven gained a really good man. I met Steve before I got sick when I was selling electrical parts at MOR Electrical in the late 1990's. I always liked talking to Steve and listening to his stories. He has a great family and they are going to miss Steve a lot. God bless each one of them.

“ He was such a godly and kind man. I've been friends with Denise for years. He treated me like family from the first time I met him. He was like a 2nd father to me after I lost my father. I was honored and blessed to know him and be a part of his family. I'm praying for all that were all of his family and friends
