“ I’m was saddened to hear that my dear Uncle has passed away so close to the death of his brother (my dad) Anderson Topps.

It had been some years since I last saw him. The last time I was in Arkansas we had a great time with him and Eddie Mae. He and my dad would joke with each other on the phone, that was always hilarious.

I hold in my heart great memories of my Uncle. I know he lived his life to the fullest.

To his beloved wife and family, know that prayers and thoughts are sent from Michigan.
