“ Fred is my cousin! I am so sorry to hear of his passing! Fred was named after my dad William Fred Burroughs, his uncle! We had been talking about getting together well....
We didn't know each other well with him being in Hot Springs and my brother Bobby Burroughs and me growing up in California !
As I said I am so sorry to hear of his passing!
My condolences to his family!

“ Fred was a friend of ours since 1967. Charles and Fred worked together at Animal Behavior for a few years. Even after Charles left there we continued our friendship. We didn't see him that often but when we did it was always a pleasure to visit with. Fred will be greatly miss. He was an icon around this town. Until we meet again on the other side. We loved you Fred.

“ My Family and I love this man. Over the span of 30 years I would “have” to call him when life threw a curveball-with the “latest- biggest -one of a kind problem / challenge “ I'd be going through -and -this “one-of-a-kind”man would make me laugh-either at myself &/or the “problem.” He was the “Oil” to my Soul— to pick myself up and go forward again -and yet again. I shall truly miss him; and my prayers are sent with my best love to his Dear Family.
