“ *Melinda, our moms were really special friends for years, and I know they loved each other! Mom talked about your mom and about you so often... Your mom was so proud of you! And they made their transitions on the very same day! So now they are together again! So many sweet memories! Blessings to you, and may you have everything you need at this challenging time! Love, Judi Parker Lucero*

“Fuji was a wonderful person--I felt lucky to know her. She had her own beauty shop and my mom & one of the neighbors went every week. She introduced me to one of her nephews from Japan. I was on a bowling league at the time. He was so nice and we both liked baseball so we talked a lot while he was here. He sent a few things to me from Japan. Fuji liked to come to Oaklawn and I would see her every now and then and we talked about the old day. She had so many friends here in Hot Springs. God Bless her and her family.

“ I am sorry to hear of your loss. Mrs. Horn was a very sweet woman. I didn't know her for long, but she brought alot of joy to us when she visited. Her smile always lit up the room. She is surely at peace with the lord.

“ I loved Miss Fuji! She was a coffee drinker like I am, but Melinda isn't. When I would drive down and visit, Fuji and I would sit and have coffee together in the morning at the kitchen table. We talked about life's small, inconsequential matters...just enjoying our coffee together and the chance to talk. I will miss her!
