“ *Sincere condolences to the family of Gary Golden. We were neighbors as children. When Gary was an Account Executive for KBHS in 1986 he helped me create a Sunday morning radio program WE THE PEOPLE to celebrate the Bicentennial of the United States Constitution. The program was sponsored by the American Baccalaureate Church. Guests were invited on the air to discuss the Constitution. The Honorable Henry Britt was on two programs. The Daughters of the American Revolution recognized the merit of WE THE PEOPLE which was broadcast on KBHS for one full year. Gary Golden made the idea a reality. I remember the honor of the Golden family growing up, wonderful neighbors.*
