“ Remembering Randy; mostly from 4th grade. The woods behind our houses connected. Bold prayers for you all as you go on. We had a conversation about scars on hands.
Praying you all rest in HIS grace and your precious memories.

“ I will forever remember the good times, back when Ted and all our guys went deer hunting and coon hunting together. When we camped for weeks in the deep woods in the Winter or at Lake DeGray in the Summer. Randy loved to hunt and fish so he fit right in with our family. We are so blessed that Randy and Lana gave us beautiful, wonderful grandchildren. Now those grandchildren are giving us great-grandchildren. So a part of Randy will still be in our family forever. Memories are a blessing.

Colton, I didn't know your Dad, but you can tell a lot about someone, by the way their kids act. Your Dad must have been a great Father, because I know you. It has been a bad week. I have had 1 birthday party, and 3 funerals to attend. My cousin is being burried today, the same time as your Dad. I am sorry for your loss.
