“ I'll always remember Gary as being mine, Curt's and Sarah's buddy growing up. He was a whirlwind of fun and laughter, and we couldn't help but feel uplifted in his presence. I'll always cherish the memory of him being such a kind and devoted son, doing everything he could to make my Papa and my Grandmother happy. He was a wonderful uncle and I know he will be deeply missed by many. “Like a bird singing in the rain, let grateful memories survive in time of sorrow” – Robert Louis Stevenson
