“ Gayle and Mike invited me to their home on July 4th. She gave me 2 quarts of pickled green beans.... I thanked her, and took them home with me. They were so damn good, I ate a whole quart of them, by myself, in one sitting! I saved the jar to return to her.... my only regret is not getting to spend more time with her... she was such a good hearted woman!

*I miss you, Gayle, and I love you!*
