“ *We are deeply saddened by this news. He had so much life in him, hard to imagine he is gone. George was more than our accountant, he has been a part of our lives for two generations. He always had travel plans, something he always enjoyed. George will be missed by so many people. There are some people that you think will always be around. Shocking to know that he will not. Our condolences to his family.*

“ George was a good friend, both in High School, and in later years as CPAs. My sincere sympathies to Charlotte and George's whole family. I will greatly miss our occasional phone conversations and visits. The HSHS Class of 58 has lost one of its most visible and active members. It will never be quite the same without George. “ Dear Charlotte and family, Joan and I send our deepest sympathy together with Irma Freibaum on your loss of a wonderful guy. We shared mutual client relationships with clients in Dallas & in New Orleans over the years. George was a dear friend and we will miss the exchange of calls and emails that we have enjoyed. It was because of George that so many of us, through his establishment of AGI, have also made close and enduring friendships across the country and in Europe. George will remain dearly remembered by all of us.
