“ D'Anne and Family, We are so sorry to hear that your Dad was sick. We just lost Scotty's Dad in February. We know what you are going through and it isn't easy. The Lord doesn't promise easy, but if we allow Him to comfort He will give it. The real comfort is in knowing that your Dad's eternal destination was decided long ago when he made his decision to follow the Lord in accepting Jesus' gift of salvation. Your Dad is not in any pain now and is safe in the arms of the Lord. The Bible says, "To be absent from the body is to be present with the Lord." Hold on to that promise. Your Dad wouldn't want to come back here now that he's seen Heaven. Our challenge is going on without him here and having that void. But one day, we can be reunited...and that is what gives us the comfort we need to get through the coming days. Wish we could be there with you to share laughter and tears. Let us know if we can do anything to help. Love, Becky & Scott
