“ Just saw this after going through many winning circle pictures with Sharon and Glenn. What good people. What good horseman. When they raced in New Jersey , they would always invite mom and I in the winners circle and accept the winning trophy. They named a horse after me Like P K who won 2 races. My favorite horses of theirs was Incredobobel who had one blue eye and gray eye, Silver Survivor , Never Forgotten, Ole Grumby, Biolage, and Smokey O. May they both rest in peace; miss you . Racing is not the same as it was without you both.

“ Can remember when Glen Hild's Dustonthebottle came charging up the rail to win the Hawthorne Gold Cup, beating 2 horses that went on to run in the Breeders Cup Classic. Gosh, Dustonthebottle loved to run at Hawthorne.

“ I'm just a racing fan back in the 90's. Mr. Hild would always take the time to talk to me about his horses on the Jersey circuit. I was one of his biggest fans...

He brought a lot of great memories to my teenage years..

Mole Skin, Hurricane Ed, Dust in a bottle, Silver Survivor to name a few.

“ Was one of the best horse trainers in the business. New what he had and where they belonged. Took the best care of his horses, and new how. I worked for the Hilds off and on for 20 years and learned so much from both him and Jon. Peace be with him and Sharon, I will always love you both. Cyd Grimsley

“ A short man with a voice to be heard, and always a brisk walk with purpose even when there was a shank in each hand with a horse on the end of them both. A foot up on the wall with glasses down on his nose, and a pen and program in hands as horses came in the paddock. How the crowd roared with Terry Wallace’s call for Dragset. Stacker always called me “Lovey”. Condolences to Jack and family from us both.
