GLENN LELAND "SCOTTY" STEWART

(1937-2013)

RETIRED SUBMARINER '76

Now each of us from time to time, has gazed upon the sea
And watched the warships pulling out, to keep this country free
And most of us has read the book or heard the lusty tale
About the men who sail these ships, through lightning, wind, and hail
But there's a place within each ship, that stories never reach.

It's down below the waterline, it takes a living toll...

A hot metallic Hell, that sailors call the hole...

So when you see a ship pulls out, to meet a warlike foe,
Remember faintly if you can, THE MEN WHO SAIL BELOW...

“ So shocked to hear of Scotty's passing. He had missed an appointment here. We had tried to call to check on him and knew something must have happened. He was one of a kind and a joy to have as a patient here. One of our favorites . PLease know our thoughts and prayers are with the family.
