“ I have so many memories of Glenna First of all she loved her kids we would run into each other at Krogers and talk for 45 minutes and she would show me the latest pictures. She always asked me how my daughter was doing. Then as we parted she would say tell Mike (my husband) Hi. Always thinking of others Farewell my friend you will be missed ❤️

“ I worked with Glenna in the mortgage business and she had a quiet gentle soul. She loved her children very much and treated everyone around her with kindness. Her faith was strong and very evident in her daily life. She will be missed here on earth but she is now celebrating with her Heavenly Father.

Roberts & Laura, I am so sorry for the loss of your sweet mom. I worked in Real Estate with her in Shreveport and we were good friends. (I am sure you two remember!) I lost contact with her after she moved to Hot Springs and got off Facebook. My heart is heavy today because I know the world lost a truly wonderful lady. There is no doubt that she is rejoicing with the Lord today. She practiced her faith daily! This world is a little darker because she is no longer in it. I am sending up prayers for you and your family for comfort. Love, Joan Parker, Shreveport, LA

Glenna was a special person, who was able to transcend many difficulties that came her way and not only conquered them but learned from them. The sincerity of her kindness and thoughtfulness were evident to anyone who ever knew her.

Her family was so fortunate to have been blessed by her presence.
