“ Growing up Greg could usually find something to make all of us (cousins) laugh about. He and Preston were like live musical entertainment for small town Gould. Fondest childhood memories have to include the Batmobile that was built by Preston and Greg - two guys way ahead of the times! While no words of mine can ease your loss of the husband, son, father, nephew, cousin and friend, please know that you all are in my thoughts at this time of sorrow. Prayers and deepest sympathy to all Greg's dearest loved ones. One of many cousins Joetta

“ My husband Michael and I visited Lisa and Greg in March 2014. The weather cooler than expected, just hints of fresh new life in the woodlands. However our encounter with a cheeky chipmunk at Garvan Woodland Gardens had us in awe at carpets of colourful Tulips and stunning red cardinal birds. Greg patiently chauffeured us on our cautious? hunt for a black bear as we strained our eyes for a glimpse of a bald eagle. Greg the "snake whisperer" calmed a Python after Lisa lifted it up TAIL first. I was entrusted to ride the Black Pearl scooter then promptly demoted to the Blue one after showing little control. We shared lots of fun, fine food and laughter, Greg determined to join us. These memories we will cherish forever. Thanks to Greg and Lisa. Be at peace our friend. Love from Aunty Janene and Michael Martin Te Aroha, North Island, New Zealand.
