“ I am so sorry that I wasn't able to attend today. I really wanted to be there. He was such a nice man. But of course most of my cousins are. I will forever be "kid" in his eyes. I can still hear that conversation I had with him about that. Then he said, Naw, I know your name, I just like "kid" better. It rolls off the tongue better. And he just laughed and hugged me. Sure do love this man.
Love yall
Will continue to keep all of yall in my prayers

“ I was so sorry to see this in the paper today. I always thought my husband Donnie (Vivian Cain's son) looked so much like his uncle Grover. May God grant you all peace and comfort at such a sorrowful time.
