Whether it was a good conversation with a cup of coffee, a family gathering with her great cooking, or simply enjoying a good Hallmark movie with the

ones she loved, she will be deeply missed by all who knew and loved her.

John 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

“ I so many good memories of my sister. I already miss u. We have had a lot of good times from me staying with u when u came home from the hospital after u had Diana and Tina. Plenty of good times when the kids were little playing cards , to u taking me to Church when I was 12. We have laughed and cried together. Prayed together. I will miss you but I know that I will see you again!

I miss you so much already. I miss our late nights talk, you talking me to church when I was about 12. Coming home and staying with u and help take care of Diana and Tina when you had them. All the late nights of playing Cards when our kids were little, and so many more memories. I love you and will miss you till we see each other again.
