“ I want to say that Grandma Helen had to most kindest heart and soul. She treated me as if I was her own granddaughter, and my kids where her great grand babies. She was so full of life and love. Chelbi told me last night, that she was going to miss her reading to her every year at Christmas... many hearts are hurting, the most important thing, she is with Jack.... the love of her life. You will be missed and always loved... Love you Grandma Helen.... watch over all of us....
