“ *The first Christmas Card was always from Henri and it was this year also. My first Merry Christmas call, birthday or any other hoilday was from her. Sure am going to miss those calls. She loved Christmas and I know she had the greatest Christmas of all this year with her husband Bill and Jesus.*

I talked to her earlier in the week and asked her if she had her Christmas tree and decorations up and she said for the most part. That it takes her 2 weeks to get it all up and 3 weeks to take it all down.

She will be forever in our hearts.
