“ *I'm so sorry for your loss. We all loved Mr. Frazier and his crazy blue and yellow trailer. He never would let us mow his yard; always insisted he could do it himself. We've not seen him in a few years and have all been wondering about him. He was a wonderful neighbor, story-teller and just a great all around guy.*

“ Dear Laverne, Royce, Marie and your families,

My deepest sympathy for the lost of your dear sweet, wonderful, kind Dad and Great Granddad and Great G Granddad to all his sweet grandchildren. Uncle Henry was a great, gentle, kind man that loved his family and he raised a wonderful family that loved him and he love The Lord and His Gospel and His righteousness.

I'm sure you all have had many wonderful Frazier Family Reunions and getting together, bringing joy and love to each of you. and satisfaction to your Dad. The Frazier Family Reunions began at Grandpa and Grandma Frazier's home and continued on in our own family reunions each year, a family tradition. The greatest joy for Grandma Frazier was having her children and their families come to the Frazier annual family reunion at the cabin there in Hot Springs and Uncle Henry lived next to the cabin there on Lake Catherine. I think they would stay a week at the cabin visiting, having fun fishing and cooking their catch with good eating and family fun. My girls remember Uncle Henry when in 1995 we took Mother, your Aunt Gladys, to the cabin for the reunion and we spent the night in the cabin, They loved Uncle Henry. His gentleness and kindness to them and to me as well we will never forget him and the sweet memories we felt. Those Frazier annual reunions at the cabin brought joy and happiness to Grandma Frazier and her children and their families who were able to attend, which brought them closer together in unity and love forever building wonderful special memories.

:Uncle Henry was a great man that loved his family, his country, serving in his community and as a pastor in churches through the years teaching others of Jesus Christ, His Atonement and His resurrection and the life of all man kind our Redeemer bringing souls to Jesus Christ changing lives for the good forever.

You Dad will be missed, but the wonderful example, good deeds, service and good works and sweet memories instilled in our heart

and those who knew him will be in our hearts eternally.

My thoughts and prayers are with you and your wonderful families through this difficult time. May The Lord bring you comfort and His healing love to each one of you now and forever.

*Love,
Your Cousin, Sue West*
