“ Eddie was a dear friend. Eddie loved to laugh and have fun. If he picked on you, he liked you. He just enjoyed life. He was not only my friend but he was also my boss. Eddie took good care of his employees and was always fair. He loved the Razorbacks. He'd call out the score on the two way radios to the drivers on Saturday. Well, 63 has driven the route for the final time. We'll miss you my friend. Prayers for Ileen, Robbie, Tina, Erin and all the family.
