“ I love you Hunter. You will be incredibly missed. Every time we ran into each other you would smile and speak. Not everyone does that. To me it says a lot to me about your heart 🥺 You had a big one. May God give your family peace and comfort in all the days to come. Praying for you all daily.

“ And I'll never forget all the fun times travis and I had hanging out with you. We both love you. Trav misses you like crazy. I miss the 2 of you cooking for me. And all the ping pong games you two played. I can still hear you 2 laughing so loud, we went thru a few ping pong tables didn't we. I loved playing with you. We both did. Now we will play with your boys. I'll teach them how to play it just like I did you. ...and I'll let them win on occasion. Just like I did you 🤔

“ Son, my handsome, funny, happy loving son. I don't know what to say except, I'm sorry. I'm so so so sorry!! You were always so strong, you gave the best hugs! What I would give to feel That hug 1 more time, I would never let go. I miss the way you would smile at me, like it's OK mom. I remember the 1st time I ever saw you, held you. You were the most beautiful baby I had ever seen. I'll never forget the look on Todd's face when he saw you. I had never seen him look at anything or anyone like That. We were so proud of you then. And we are proud of you now. You are our son. Nobody can take that away. I will tell your little boys atleast 1 wonderful memory of you everyday for the rest of my life. Goodbye son.

“ To Kathy, Tasha, Kelsey, I remember being in church with Hunter always a nice respectful young man at church! A life taken way too soon! I can relate to that! My heart hurts for each one of you and a wife and small boys growing up without their Dad! He will always be with you in your hearts but that miss will never go away! Remember I will be keeping all of you in my thoughts and prayers ! I love you all and I am truly sorry for your loss!!!!

“ So sorry to hear of Hunters passing . He left this world too soon . I can still remember him as a toddler. Hard to believe he is all grown up with kids of his own . I pray that God will comfort all those that loved him . I wonder if he even knew how loved he was by so many . He had a smile every time I saw him and never failed to speak . I for one will miss that smile . Rest in peace Hunter . We love you and will never forget you .
