“ Aunt Imogene was a kind sweet gracious lady who was my Mom's best friend the last part of Mom's life in Arkansas. They were lunch buddies. She was a fine Christian Southern Lady who I never heard say an unkind word. I love you, Aunt Imogene, Rest in Peace and enjoy Paradise. You will be missed!

To her grandkids & great grandkids, our Condolences.

“ *Imogene was a real nice lady. I have many pleasant memories of Imogene, Raymond , Ms. Layton and Linda. Linda spent many hours taking care of Imogene until her own health was so bad that she could no longer carry the entire burden. She was fortunate enough to find really good people to help shoulder the everyday care needed. I hope Imogene's family knows how much my sister sacrificed. Imogene knew that Linda was devoted to her and she loved her for always being the one she could count on.*

“ *My deepest sympathy for Geoff and all the family for the loss of Ms. Imogene. She was a very special patient of mine at Dierksen Hospice. She always greeted me with a smile and unforgettable laugh. Ms. Imogene loved bright colors and gospel music. She will be sorely missed but no longer in any pain. I'll see you one day precious angel.*
