“ Although, I have not seen David in several years, my memory is of a gentle, caring soul. I've known Bill and Darlene since the 70s. David and Bill were very close. Bill called him every day to check in. David was like a part of my family for so many years. We traveled, dined, and lived next door to each other. I will miss this sweet man.

“ My uncle David he will always be. He will forever hold such a special place in my heart. My young memories of a child always seem to have him in them. He would ride us for hours and hours on the 4wheeler at home and the jet ski's at the lake. He was the funnest most kind person I have ever met. I remember the day like it was yesterday when he and my aunt Crystal announced that Will was a boy. He was beaming with pride and with a smile that didn't go away the whole weekend. He will be greatly missed.

“ David Cole truly showed what it was to be a man of honor, wisdom, and justice. While most of my time I knew him in college and our beloved fraternity, David was there with a great spirit and joy for life. You will be missed by all who knew him. Damn Proud.

“ David was so special to me and my entire family. I never met a more congenial, gentle person. I spent an afternoon with him a few months ago when he came and helped Will insulate his new living space. I so enjoyed our talk that day about all the good times we had. I am so glad we had that time together. RIP David Cole!

“ I met David when he was 12 years old when Bill and Darlene started dating. What a blessing he was to the entire Roy family. David was the sweetest, kindest, loving, unselfish man and I'm heartbroken he wasn't with us longer. Gone way too soon. I love you David and know that you and your Dad are boating or riding jet skis in Heaven looking down on all of us....RIP my friend.
