“ *Pawpaw...you will be missed every day. You were always loving, caring, strong, and unpredictably honest. You had the most amazing smile I have ever seen that ALWAYS brightened my day. You have always stood by your family and loved each of us unconditionally...always sharing your advice, opinion, and thoughts...uncensored but always appreciated. ;-)* Everytime I smell or see a pickled egg, homemade shop sawdust, or cashews I will be reminded of you. I will forever be reminded everytime I wear flip flops that they aren't considered "shoes", that "Jesus Christ" is our savior but also called upon during ridiculous or absurd events, that no other vehicle beyond American - made Ford is an acceptable mode of transportation, that jeans and a button-down shirt are ALWAYS acceptable, and that frogs really do croak when you sit on them. ;-)

All smiles aside, I will always remember that there is nothing more important than family, that honesty IS the best policy, and that loyalty is admirable because of you. May you rest in peace now with no more pain and giving them you know what up there. Closing in the words that you always left me with...."Come back and see us..." I'll love you and miss you forever. ...until I see you again.

*XOXO
Mandie*
