“ Jackie was the mom of one of my best friends growing up in Hot Springs (and still is to this day). She was one of those people that made you feel like she loved you and was as interested in what was going on in your life as she was with her own family. She always made you feel welcomed and she always had a smile on her face. I'm blessed to have known her. I know she will be missed but I also know she made a huge impact on the lives of those who had the fortune to know her. God Bless Bill, Jason and the rest of the family as they celebrate the life of a wonderful person.

“ There are so many memories I will carry with me of the kindest, sweetest, most generous person I have ever known. We shared the love of horse racing, family, and God. I will miss her beautiful blue eyes , smile, and laugh. Jackie will always live in my heart. I was blessed to call her friend. May she Rest In Peace 🙏❤️
