“ James was one of the kindest person and would go out of His way to help someone in need. When my Mother passed away he was one of the first to call and to bring food over to me. He had a way of making me laugh when I needed it and loved to hear me play the piano. Rest easy and I know I’ll see you again in Heaven.

“ James will be sorely missed. He was always the same, no matter where I saw him. Be it at Church or at Walmart.

“ She was a very sweet person. When I first meet her she was warm and friendly. I would go and visit her when ever I had the time to visit with her. I call her a friend. She was always there when you need a helping hand. She will be missed dearly.

Rest in love cousin Jimmy. I remember several stories from my mother, first cousin, and they were always funny and positive. My thoughts and prayers are with the rest of our family and all her friends. Bless each one of you!❤️
