I was so sorry to learn about Jim's passing. He and I go back to his early days at Gross Mortuary then to Hot Springs Funeral Home. He professionally helped with funerals of friends and I enjoyed seeing him and remembering old times. He certainly cherished his family. I got my Arkansas funeral director license about the same time Jim did. He really appreciated his job at Hot Springs Funeral Home, and served with great pride. Rest now good friend, the race is over and you have won.

“ Although Jim and I were both Oaklawn Rotarians, I knew him best for his total dedication to the annual Veterans Day weekend in Hot Springs. He was always so timely and organized in sending me all the needed details for informing the public of those events. He also attended many a planning meeting for the annual Christmas parade, providing radio support through local veterans to help keep the parade moving smoothly. And it seems that at most local funerals I attended, there was Jim providing faithful service.

My sincere sympathy to Jim's wife, family and friends, in particular Brian and his family. I had the pleasure of working with Brian at the City of Hot Springs, and I am sure that he is very much a product of his fine father.

Rest in eternal peace, Jim.

“ I am at a loss for words to describe what you and your friendship has meant to me over the years. As a co worker and confidant you were always there in the good times and the tough ones. I knew I could always count on you to be there for me. I am going to miss seeing you on my trips through the area as it was that friendship that kept bringing back. Your dedication to the Veterans and all the family that you served in your position within the funeral industry in that area will be missed. I thank you for all your efforts over the years. To the Joyce, Brian, and Kevin my prayers go out to you. It's not a good bye but a see ya later my friend. We all have a purpose here on this earth and you fulfilled yours admirably and with lots of dignity. Love you Jim, now you can rest in peace.

“ I met and knew Jim through Oaklawn Rotary. Jim truly did have a servants heart. He was always concerned about the welfare and needs of others, but never for himself. I and Hot Springs shall miss him.

“ Jim was like a brother to me growing up, and his parents were like mine...very close to my parents Hank and Claudine Marsa. When my mother died, I would have never gotten it through it if I hadn't had Jim's help. Our hearts, prayers and love go out to all of you. Kim and Mickie Holsomback

“ We will miss you Jim. We have a lot of good memories and laughs. You won’t have to hear my “good health” lectures now because you are completely healed with Jesus. You had a servant’s heart and would go above and beyond for most anyone and always did for me. I called you and Joyce many times after I lost Donnie and wouldn’t take you long to be at my door. Or I’d get a text you left me a case of Mt Valley water on my porch you’d say you only did that for special people. You and Joyce have taken me in your home and cared for me for weeks when I broke my leg. Never once treated me like I overstayed my time but always just like I was at home. That is family but mostly a good Christian heart. You were a good man with a big heart. It’s gonna be hard for a while but I wouldn’t pray you back because you are in a better place. It was hard to see your health decline. I will be here Joyce. Love you sis.
