“ I am so sorry to here James passed away. I worked and served in the Army reserves for a lot of years. In A Co 489th Engr.BN in Hot Springs, AR. We had a lot of fun together at the reserved center and during summer camp. If anyone could get something to work it was James. I lost contact with James after I left Harrison, AR in 2000. James was a good friend all of you will be in my prayers. God bless each one of you.

“ I am so sorry to hear James passed away.He was a auto genius and much more than just a mechanic, he was an encyclopedia on anything having to do with vehicles.I was taught many things by him in the early 80's at the old Resort Ford, that I still remember today and have passed on to my son now a mechanic .He was a friend also and I wish I had seen him more than I had recently.May God bless you all.
