

James Walsh

July 24, 1961 - January 16, 2023

James was born on July 24th, 1961 in Camp Springs, Maryland to Anita Creviston and James Walsh

James is survived by his mother, Anita; brothers, Michael (Pati), Timothy (Danielle), John and Kevin (Brett); sisters, Elizabeth (Ted) Jones, Susan Walsh; nieces, Kiira Walsh, Rachel Jones; nephew, Bryce Walsh and numerous relatives.

He is preceded in death by his father, James his step-father Tom Creviston and brothers, Patrick and Thomas

James was an active listener with an intuitive soul, making him a force for good and a loyal friend to all. He sought to connect with everyone he met, and had a talent for making everyone around him feel heard and acknowledged.

James' keen listening skills and superb memory were an asset to him, as he kept a mental calendar of everyone's age and birthday, never missing the opportunity to share birthday greetings with those he loved.

He was an avid Razorbacks fan, a self-appointed weatherman, a devoted Catholic, and a hamburger enthusiast.

James was a champion of bingo at Clear Spring, where he proudly held the longest residential tenure of all his fellow neighbors.

His favorite song was “Take Me Home, Country Roads” by John Denver; a testament to his fondness for family and home life, as well as his quest to feel at home wherever he was.

We would like to acknowledge James’ family at Clear Spring, especially Trecee Anderson, and staff members; Kyah Williams, Ashley Williams, and Desaray Moshier, for their loving friendship and commitment to James’ well-being.

James had a special relationship with Robert and Mary Wanless, who he frequently attended Catholic Church services with.

To honor James, we ask you to regularly remind your friends and family that you love them, to show unconditional kindness to strangers, and to always celebrate your victories—no matter how big or small.

A memorial service will be held Saturday January 21 at 1:30 at St John the Baptist Catholic Church, Hot Springs Arkansas

“ James was in our Sunday school class at First Methodist Church. He always reminded us of time changes, who was in the hospital from Clear Springs, or who was having a birthday. He loved his hot chocolate every Sunday morning. He was always smiling, and he loved us, and we loved him. He will be missed.

I am so sorry to hear about James' passing. He was always friendly to me and would greet me at First United Methodist, making me feel welcome even though I'm just visiting here for the year. I would like to recognize the person who wrote James' obituary, you described James perfectly. I will miss him. Sharon Blackwell-Simon

“ This is what we sent:

His Aunt Mary's family treasured the way James kept them connected to his family when we were spread across the country. He was a frequent caller and liked to talk about birthdays for everyone in the families including his cousins' children. That next generation also felt connected to him even though they only knew him through phone calls and messages.

When James was introduced to texting and emojis the communications became more lively.

We will miss hearing "Hello this is your cousin James".
