“ Every time I saw Jeff, he was beaming that broad, genuine smile. I honestly don't think i can remember him without one, and he was such an upbeat guy. Handsome, too. He hollered at me several years ago, out in public, he was working with some road crew or construction company, and recognized me, and was bubbly and gave me a hug. Totally unexpected, but he wasn't shy and took the time to acknowledge me and flash that smile my way.
