“ I am very sorry to hear of the loss of your loved one, and would like to offer my sincerest condolences to the family. During this difficult time, I hope you may find comfort in the words of Psalm 34:18, where it says the God is close to the brokenhearted and those crushed in spirit.

“ Jan was the epitome of a southern lady. Always nice, kind and thoughtful of others. She also loved to laugh and have a good time. I have several memories and stories!

My last call from Jan was a couple of weeks ago, inviting me to come to Hot Springs to her home and visiting with her.

I already miss her terribly and am honored to have called her my friend.

“ So sorry for your loss. I knew Jan from the old St Joe and then years later got reacquainted with her when I started working for Hospice. We enjoyed sharing memories and recalling names of former Co workers. She will be missed so much.
God bless.

Jan was one of the most compassionate and loving people I have ever known. I only knew her five years but she had a way of making you feel as though you had been friends forever...beautiful heart, beautiful soul...I will miss her greatly.
