“ *Pam and Mark,*

I'm sorry for your loss--what a lovely photo of your mom in the paper today. Just as I remembered her, beautifully made up, hair in place perfectly and most importantly that big smile on her face. We worked for a number of years at the old Grand National and First American Bank together--Jan was a delight to work with and the customers were crazy about her. No matter how difficult the day was at work, Jan was laughing. She so totally carried her load and was always willing to go beyond. To top it all off, either your grandmother Edith or Clarence kept the two of us so well fed! I also have good memories of watching you two grow up.

I wish you two God's peace which your mother is now enjoying.
