“ *Dear Hathcoat family, Jason has finally left this earth where he was in so much pain. I know that he is in heaven with his Lord and Savior, Jesus Christ. He had really been suffering since his mom past. She was like a sister to me at one time and he was so much help when he could be. RIP Jason.*

“ To Josh and his other brothers, I am so sorry for the loss of your brother. I saw him a few months ago at his doctor’s office. We spoke and I know he was going through a lot of physical pain. I’m glad he is no longer hurting.

One of the craziest memories I have of Jason was at Josh’s house many years ago. Back when Josh and Shelley had a pet squirrel named Smackers. I will never forget when Jason was playing with Smackers and then she got mad and bit Jason. It became like a scene from that old Ray Steve’s song: *The Mississippi Squirrel Revival!* After that, when they took Smackers out of her cage I always said, “It’s time for me to go.” She didn’t hurt him too much but the memory of him running around trying to get that squirrel off of him makes me lol! 🙏 I’m praying for y’all.
