“ I wondered why the Postage Rate website was out of date, so searched and located Jerry's obit. I'm sorry to hear of his passing. I hope his family knows how much his informative website helped me, and many others, understand the complexities of shipping costs. I've used it for years and really appreciate that he to the time and effort to share his expertise. Actions like that make me wish that I had met him to thank him.

“ I am very sad to hear of Mr. Nelson's passing. I did not know him, but appreciated his generous help on his Postage Rates page, which I've printed out for several years. He seemed to be such a kind and witty man.
I'm sorry for your loss.
God give you comfort and welcome Jerry home.

“ I worked with Jerry for over 25 years at the Modesto, CA post office. Jerry was one of us who met together monthly to pray for each other that we would be a witness while at work at to survive the ordeal of working there. Jerry helped me build my 3 car garage/workshop and also drove with me to Colorado to move my son there to attend the University of Colorado. He was a wonderful friend and I will miss him greatly.
