“ I MET JERRY ON LAKE HAMILTON WHILE FISHING. IT WAS WINTER AND HE HELPED ME FIX A BOAT MOTOR PROBLEM. AFTER THAT , WE KEPT IN TOUCH OVER THE PHONE ABOUT FISHING SPOTS.

I WAS SORRY TO HEAR OF HIS HEALTH PROBLEMS SOME YEARS LATER.HE ALWAYS HAD TIME TO TALK ABOUT FISHING.

“ Jerry was a good friend to my father. I have memories of him even as a little girl coming to visit with my dad and bringing a lot of fish to us. I was fortunate enough to have seen him in the rest home recently when I took my dad to visit him. I know my dad will miss their visits. My condolences to his family.

*My wife and I lived next door to Jerry since 2000. The day we moved in Jerry was field dressing a deer on his tree out front. I knew right then we were in the right place for us. A few years back, while backing his boat into the lake, the truck rolled into the lake, minus Jerry, thankfully. I always wanted to ask him how he knew Fords could swim. I never did ask him as he was a mighty man even then. Jerry took no truck from anyone. A fine friend whom we will miss. That's Jerry. Save a seat for me, Jerry. You are most assuredly missed by everyone who ever knew you.*
