“ *My great aunt Pearly was one of the sweetest, most generous people I've ever met. She is a role model and will be missed by us all. From magic springs trips, snow cones, velveeta and mayonnaise sandwiches (I called it the real cheese), to letting me walk in her shoes all over the house a preschooler, she was the best. We love her so much and will miss her every single day. I'm so thankful my children were able to know their great great aunt Jessie Pearl. She loved everyone and we all loved her. ❤️*

“ *Holidays at the Blockers: Our family has so many great memories of the holidays at Uncle Wras and Aunt Jessie's (Pearlie) house. Our family was so close during my youth, from Sundays at Papa and Granny Blockers to those special holidays. I cannot express the love, care and kindness from Aunt Pearlle to all of us and how important that was to me. I wish all the younger fam could have have seen and known the magic of the holidays during those times. I know Jean remembers them and although she was young I'm sure Stacie does too. As I grew older I came to realize Santa Claus and God never left 706 Dexter Street and the reason for that was Aunt Pearlle. We will miss you so much.*

Her smile lit a room, her laughter brought other to tears, and her spirit will live on in the countless people she touched. “ I dont know where to start. I've known Mrs. Blocker my whole life. Well since I was 11 or 12. I spent many nights at her house with her son and my friend Doug. Shes been my neighbor for the last 33 years or so and I've stopped and talked with her countless times. It was always a pleasure. I'll always be able to see her when I drive up the street coming home. And after this sadness passes the thought will always make me smile. The memories I have are simply endless, timeless, humorous, enlightening and just plain wonderful. I was at her 90th birthday party and it was as fun as any birthday party I ever attended. I will love and miss you Mrs. Blocker always. You left wonderful memories as well as two super great grandsons, one of which I was privileged to name. They are great kids which is not surprising , Stacey and Mike are first rate parents and you were a first rate Granny. I promise to help them any way , any time they need me. I give you my word.
