“ To Jay & family,

Your Mom is a gem of a lady. Her laugh was something I will never forget. The road was often rough for her since she left the Sentinel-Record. But, she was one tough woman. My life is forever changed for having known her. My thoughts and prayers are with you at this time. Jessie is well now and surrounded by love, peace and joy. I pray GOD wraps his arms of comfort around you in the difficult days ahead. You were and are still the light of your Mom's eye. Love in Christ. Until you meet again, her light will shine in your heart.
