“ I met Jim Roach in the fall of 2000 when I started working at Allen Tillery Chevrolet. During my tenure at the dealership, I counted Jim as a friend. He was always ready to lend a hand and was always kind. He was very well liked by his customers and his colleagues. That's how I'll always remember Jim Roach. My condolences go out to Jim's family.

“ I started buying cars from Jim years ago. Then I found myself baking him peanut butter cookies just so I could go to the dealership and visit with him. We just talked about life. He was a genuine, sweet man and I enjoyed having him as a friend. May God bless you with peace and wonderful memories.
