“ I have known Joey all of my life. My uncle, Herman Bubba Hamilton and he have been best friends since elementary school. Joey, as I called him, had the most kind and caring soul. He was always more concerned about my uncle than himself. When Bubba was over here about a month ago, I called Joey for him and they "talked" for what would be the last tiime. Uncle Bubby had a massive stroke at 46 and is now 76 with severe speech problems. Joe understood that tho. He was the GREATEST of friends to Bubby. As for me, The daughter of Brown and Juanita Hamilton Meredith, I will always remember his smirk, his smile and his heart. We will laugh again, Joey. See you later. Pinky and Howard A note for my uncle: So long friend, I won't say goodbye.Love, Bubba We regret that our health has kept us from attending the funeral. Our condolences to all of those who loved Joey. We WILL go to the cemetery this evening and pay our respects. We all loved him and will miss him greatly. Thank God we knew him

“ Joey, as I grew up calling him, was a true man with a generous heart. He was the best of friends (since elementary school), with my uncle Herman Bubba Hamilton. My uncle was over here a month or so ago, I phoned Joey and they got to 'talk' one last time. My uncle had a massive stroke when he was 46 and is now 76, his speech is extremely limited. Joey was his BEST friend and was more concerned about Bubba than himself. He had the most giving heart and generous soul. I have stories, many of them, and they are all the kind that make you smile or laugh. He will be more than greatly missed by all of us. So long for now Joey. You will NEVER be forgotten. Howard and Pinky Meredith Williams. A small addition for my uncle: So long, my friend, see you later...I won't ever say goodbye. Love, Bubba We regret that our health will keep us from attending the funeral, but all of us will go to the cemetery this evening to pay our respects. Our condolences to all who loved Joey.
