“ John was always so awesome with my grandchildren Tanner & Tallulah who lived next door, always finding odd jobs for Tanner to make some money with. Both Patsy and John gave me much comfort knowing they were next door.
Patsy, The pain of your loss is greater when your heart has been touched deeply and your life affected more profoundly by the one you have loved. We are never prepared for the loss of a loved one, but God's grace and mercy are new every morning. He is faithful in times of grief and He, with His Word and His children, will strengthen you in the days ahead. Please let me know if I can help you with anything in the days to come

“ *My buddy John. I met him through my good friend, Dale Vaughn. He invited me to hunt with them and I joined the Doster Hunting Club. John was a good man with a great sense of humor and he was loved by many. Always hunted with his shotgun and would not shoot a doe if there was 20 of them in front of him. May God give strength and comfort to his family. Patsy and Johnny, you are in my prayers along with the rest of the family. I will miss his laugh.*

Dear Patsy

I'm sorry that my wife and I were unable to be with you during this special time. Please know that our prayers are with you.

I never had the privilege of knowing your husband personally but because of his reputation there is no doubt that he was a great man.

I have been sincerely blessed by your Christian friendship and my heart goes out to you at the knowledge of MR. Doster's passing. Please call on us if we can be of any help to you in any way.

In Christ,
