“ I’ll always love and cherish the memories we’ve shared. You thought me a lot but I would always wish you were still here to teach me about vehicles and meet my loving daughter. I miss you dad and hope somehow someday you’re reading this and are proud of the somewhat well rounded man I’ve become in your honor. I’ll miss you until we meet again old man 🥺🙏🕊️.

“ I had the pleasure of knowing John as a co-worker and a good friend. I surely enjoyed the visits we had on his front porch deck shooting the breeze on those summer evenings. John was so easy to talk to and could always make me laugh with his wonderful wit and sense of humor. John loved cooking and he was very good at it. Seemed like every time I would stop by, John was either in the kitchen or at the BBQ pit cooking something up. One evening on his front porch, he heard my stomach growling very loudly. He disappeared into the house and returned with a plate of food for me! It was delicious! John was a wonderful person and father. He deeply loved his children and spoke of them often. You could sure tell he was proud of his kids. John may be gone in the physical sense, but he will go on and on in the hearts and minds of those he loved and was so close to!

“ I will never forget my Cousin, John! We spent a lot of time with them growing up. John always played with me and my sister Sandy. Chased all of us kids around. He's was the motorcycle rider who would borrow my Daddy's bike and tell him not to tell anyone. We just talked about good ole times last week. I will forever miss you John Shifflett. Kiss Aunt Belle and Uncle Charles an my Daddy for me. I love you. Fly high!

“ Some of you have asked to help in anyway. Please know John had no insurance in place. Yet his wishes from the boys was to be placed beside his mother at Crestview Cemetery off Little Rock Highway. Therefore in lieu of flowers we are asking for Everyone to call Hot Springs Funeral Home and they have a Memorial set up in his name to help with his expenses. They said if everyone just gave \$20 or so it would add up toward his \$2500 expense. I want to thank each and everyone in advance for the prayers and support. The Shifflett Family
