“ I'm so sorry to hear about Mr. Showers. I have so many wonderful memories of him as a boss, a great leader, and most of all as "friend." He and I started at St. Joseph's the same day. I was just 16. he watched me grow from a boy to a man and played an important role in my life. He was a positive mentor teaching me many things about life such as honor, respect, and work ethic. Values I learned from him , I now teach my own son. Perhaps my greatest memory of him is my last...I saw him a couple of months ago and she told me with a great big smile that he had become a Christian. Lean on Jesus during this difficult time. He is where all our hope and strength comes from. I love you all and am holding you up in prayer.
