“ *Uncle John was someone who cared about people. Cody & me loved him for just being there for us. I know he prayed for us daily for the things going on in our family. Now he is Heaven with his family that has gone on before him and he will be watching over us from there. Prayers & love.*

“ *Uncle John was a very special uncle to me,we enjoyed the simple things a conversation about the things going on and enjoying a burger and coke together. I now have a another guardian angel, we loved each other for who we were. I will miss him but glad he is enjoying his heavenly home. Love with God's Blessings. Your favorite niece, Brenda. Tony so enjoyed the talks you shared.*
