“ He was my dad. We miss him so much. Nothing is the same without him... But think of this, hes in a better place and out of pain, thank the Lord, because he was in soo much pain. Here are a few quotes i found off the internet.
“Dad, you taught me to be strong but sorry im letting you down. I can never be strong enough to accept that you are no longer here”
“Death leaves a heartache no one can heal, love leaves a memory no one can steal”
“DAD, sometimes i wish for you to come back, but i dont want you to suffer again. I know you are with me and i will always love and miss you with all my heart Until we meet again.”

We all love and miss you daddy.. We will see each other again, I promise. 😭😭💔
