“ You will be missed but I am so glad I was able to be with you for the time we had. Barbara gave you 32 of the best years of your life and you are a lucky man to have had that kind of love and devotion. I'll see you when I get there...How about that? Love you dad, Holly

“ Jonathan enjoyed his friends, clubs, puns and especially being retired. He liked looking at the sky and digging for rocks, and especially playing with his cat.
