“ *Glenn and I are so blessed to have spent the time that we did with you and your husband on the cruise. You are a wonderful woman and have an incredible family. All of the holiday "tales" are so wonderful to hear from Sandy. The family unit that the two of you created would make anyone want to be a part of it. I pray for the family support in your time of passing. You will be missed. With love.*

“ I did not know Judy that well, but have visited her home with a dear friend, Tanya Logan. I know that she is now with the Lord Jesus Christ and in a better place than all of us who remain on this earth. I am praying for her family as they go through this time of great loss.
