“ Darren, Sherry and kids Hi guys ! I just found out about you losing your mother yesterday and am so sorry. I hope peace of mind will find it's way to you. I am still here and just a phone call away. (in the phone book). Don't know if your mom knew Bobby and Tony's mom but if not maybe they will find each other in heaven and become friends as they both have swell kids !! Take care of yourselves and know that Samantha (Poe) and I are thinking of you all now and always. Love, Angie and Family

“ Dear Ramirez Family,It has been many years since I was last at your home. It was one of my favorite haunts during my youth. As time goes by, it seems human folly to let friendships fade but it also seems human nature. I am truly sorry to hear of the passing of Mrs. Ramirez. She always made me feel welcome at your home and I can remember calling her "Mom" often; this during a time that I was rarely speaking with my own mom.I hope that all of your hearts can find some measure of peace and know that your mom touched the hearts of those you may never realize
