We called her Mom, we never called her by her first name because she was always Mom to us. She was an amazing woman. She had a bunch of children and loved each and everyone from her children and her grandchildren. She cooked some of the best foods one could ever imagine. The fresh breads, growing up friends of the family. She was tough Boss Lady, respected amongst all of us. For her heart was always warm. I have known her since 1986 and the family. God Bless them and provide them comfort for their loss not only of a Mother but a generation of history. Great lady, mother, and friend. RIP Julia your work here on earth might be done but your remembrance will never be forgotten.
