“ Julie was the sweetest person in the world. She was like a sister to me and one of my best friends I ll ever have. My heart hurts that I didn t get to see her one last time. I pray for Judy, jack, jean,Jenna and her unborn grandchild who didn t have the chance to be loved as Julie would have. I love you jewels and I miss you until it s my turn to go home. :(

“ I did not know Julia but I was one of the lucky people who got to know a few members of the family in ICU that day. I hugged you like you were my own family and cried with you. I gained love for each of you that day, and you are in my thoughts and prayers everyday.

“ My family and I would like to express our deepest sympathy over the loss of Julie. May you find comfort in your loving memories and the warmth of family and friends. I love the beautiful promise at Revelation 21:4 when death and pain will be gone forever after God restores his original purpose for the earth. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time. Once again, please accept our condolences as you deal with your loss.
