“*June was a beautiful person inside and out. This picture is as we always remember her, even in her darkest moments of grief she always smiled. One never knew she was hurting inside and so lost with Gary gone. We loved her dearly and she will always be in our thoughts. We will not say goodbye, but God willing we will see her again one day. Rest in peace my dear friend as you are where you have longed to be. Will cherish our many hours together and laughter we shared and yes lots of tears too.*
